RESPONSE TO OFFICE ACTION

Honorable Commissioner:

In response to the Office Action mailed March 29, 2005, it is respectfully requested that the Commissioner reconsider the rejections made in view of the following amendments and remarks.

REMARKS

The Examiner has rejected claims 18-23 of the present application under the judicially created doctrine of obviousness-type double patenting in view of claims 9-15 of U.S. Patent No. 6,739,733. Applicants respectfully traverse this rejection in that 35 U.S.C. § 121 prevents the Examiner from restricting a claim from an application and then subsequently holding that the same claim is an obvious variation of the claims of the application from which it was restricted.
